MAGNIFICENT 5 BEDROOM VILLA WITH SEAVIEW, POOL & GYM - LAGOS

MAGNIFICENT 5 BEDROOM VILLA WITH SEAVIEW, POOL & GYM

Excellent and spacious 5 bedroom villa with unique sea views, located in one of the most prestigious areas of Lagos, near Boavista Golf & Spa, a few minutes from the city centre, Terras do Infante hospital, restaurants, shops, schools and Porto de Mós beach.

Inserted in a large plot of 2600m², with 640m² spread over 3 floors. This property excels for its location, unobstructed views and high quality finishes. The elegant, modern and luxurious style is carried from the inside to the outside where the attention to detail was not neglected at any moment.

The ground floor of the villa has a double height entrance leading to the living area, dining area and open plan kitchen. The sliding windows open to a pleasant covered barbecue area and pool bar, with access to the pool and a lovely low maintenance garden. On the ground floor you can also find a service bathroom, an office and an annex, ideal to receive guests that consists of kitchen, living room, bathroom, wardrobe and two bedrooms.

On the first floor we will find the master bedroom, with dressing room and private bathroom and two other bedrooms also with private bathrooms, with access to a large south facing balcony where you can enjoy breathtaking views over the sea.

The basement comprises of a large gym room with sliding doors and natural light, laundry room with plenty of storage space, a cinema room complete with bar area, support bathroom and a large room that you can use as a wine cellar, storage room or even a games room. On this floor you will also find the control room of the house heating and water system.

This spectacular villa also has a garage, with two automatic doors and with capacity for four vehicles and also has a covered space that can be used as a car wash area.

The villa has underfloor heating throughout the house as well as cooling vents through a heat source pump, electric thermal blinds on all windows with individual central control. The fireplace installed in the living room is electric heating equipped with a glass panel, where the image of the flame is realized by a light projection, with 3D flame effects in order to give an impressive visual appearance, as well as LED Light that you can use in different colours.

There is also full CCTV security installation, with motion sensors, external lights throughout the property, as well as alarm system.

The property has solar panels to produce hot water. Any excess produced is diverted to heating the swimming pool. There is also a photovoltaic installation that covers all energy consumption during the day.

Don't let this opportunity pass you by, book your visit now!
